TO THE BOWLERS

PERRY BOWLING ASSOCIATION

CECIL J. WASKEY
Secretary-Treasurer

NORMAN NEWELL
President

To the Bowlers:

This Third Annual Year Book, which was authorized at the Annual meeting of your Association held in Geneseo, May 21, 1956 is published as required by new rules of the American Bowling Congress. In addition to showing the 1957-58 averages of the members we have also tried to give recognition to the outstanding bowling of this past season as well as accomplishments of previous years obtainable from records available.

We would like to have shown the given name of all bowlers listed and have done so where the information was furnished by the league secretary. There are still a few secretaries furnishing only initials. We could have first names with a little effort.

For your information all leagues sanctioned during the 1957-58 season have been listed and given a letter of identification; for example, Major League, Arcade, N. Y. —A— etc. Following the bowler's name you will note this identification letter, number of games rolled and his average as furnished by the League Secretary.

Each sanctioned team will receive one of these Year Books, as well as all Bowling Halls within the jurisdiction of the Association, compliments of the Association.

Trusting this book will be enjoyed and its use worth the effort and cost of editing same.

I remain

Yours very truly

C. J. Waskey, Secretary-Treasurer
